Indian homes installed

~ Greetings ~

Hello to all Indians attending the festival!

*We, SGKK Resources Development Co., Ltd., are a company that
deals with residential solar power systems.*

*We are very happy and grateful to have the Indian people
as a sponsor of the festival!*

Our solar power systems are patronized by many Indian customers.

We will continue to do our best to serve you more and more.

Let's enjoy today's festival to the fullest!
